

The Official Newsletter of the South Pasadena High School Alumni Association

President's Message

Hello Tigers!

We hope you are having a beautiful spring and that this issue of Tiger News finds you and yours safe and well.

We are very pleased to invite you to join us the weekend of June 10-12, 2022, for our **Grand Reunion V** in South Pasadena. We have been working hard to plan for our fifth decennial all-class get-together, which was first held in 1982 and served as the inspiration for the formation of our Alumni Association.

This year's Grand Reunion will feature a casual no-host **Friday Night Get-Together** at the Langham Hotel's Tap Room in Pasadena (formerly the Huntington Hotel) from 5:00 - 10:00 p.m.; a **Saturday Festival** at the SPHS campus from 10:00 a.m. to 4:00 p.m.; and a **Sunday Alumni Picnic** from 11:00 a.m. to 2:00 p.m. at the Garfield Park gazebos. In addition, many individual classes are planning class reunion gatherings on Saturday evening and/or Sunday in the Park. Details of the planned activities are included in this issue, and we hope you are making plans to join us for some or all of these events.

We are also busy administering this year's **SPHS Scholarship Program**. We are very pleased to announce that gifts for our scholarships jumped tremendously this past year and we have added another four new scholarships that will be awarded to SPHS seniors for the first time in 2022. Last year we awarded a total of **\$37,900 to 24 students**, and we expect that both of these numbers will increase this spring. Notably, one of our smallest awards, the **Maggie Veir Art Scholarship**, became our largest funded scholarship as a result of a

\$100,000 bequest we received last fall. Details about all of our scholarships, including the four new ones this year - the **Andre Patzkowski '21 Plan B Scholarship**, the **Holly Whitworth '73 Nursing Scholarship**, the **Susan Kane Shaver Performing Arts Scholarship**, and the **Yong-Kyu and Robert J. Kim '89 Biological Sciences Scholarship** - are included in this issue.

One of the challenges we faced this year was the distribution of the **Fall 2021 Issue of Tiger Tales**, our annual magazine that is published for all paid members of the Association. We are very proud of Tiger Tales, which contains news and photographs from class reunions, Alumni Association events, scholarship recipients, and various "tales" told by Tigers from all classes. However, many members who had paid their **annual \$15 membership fee** did not receive their "Tales" last fall, apparently as the result of a postal problem. As a result, after surveying our paid members to confirm whether or not they had received their copies, we ordered and re-mailed another round of Tiger Tales to all those who notified us their copy had not arrived. In addition, we have extra copies for paid members who did not receive their copy by responding to our survey, which can be mailed out or picked up at the Grand Reunion.

As always, we want to express our appreciation for your support of, and involvement with, the SPHS Alumni Association. It's hard to believe that **40 years ago this spring** a small, hearty band of Tigers got together and formed the nucleus of our organization to plan the first Grand Reunion in South Pasadena. We hope you will help us honor that tradition in June and join us for Grand Reunion V the weekend of June 10-12!

Tigers got the Power!

Electing the Board of Directors 2022 - 2023

In March, the Board of Directors confirmed the slate of member volunteers who have agreed to serve for the next fiscal year, July 2022 through June 2023. Their names are included in this publication to ensure that all eligible members of the SPHSAA are notified the mandatory 30 days in advance of the election. While we will be holding our Grand Reunion this June, we have found that many more members are able to vote through the online process, so will continue to hold our elections through our website.

The link for voting at www.sphsaa.org will be open from Monday, June 6, 2022, through Friday, June 17, 2022.

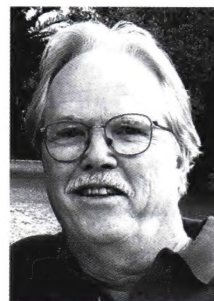

Please follow the link on the webpage to vote for our Board of Directors. There will also be a place for you to add comments or ask questions. We look forward to hearing from you!

The Scholarship Process

Every year, during the third week of February, the SPHSAA scholarship forms are made available at the high school administration office, and may be downloaded from the SPHSAA website, as well as distributed by faculty and staff. The requirements for each scholarship are specified on the application forms. Completed forms must be returned to the office before Spring Break. These are reviewed by the SPHSAA Scholarship Committee which is approved each year by the Board of Directors and whose members are active in the Alumni Association.

After verification of eligibility in April, finalists are selected, interviews conducted virtually and/or in person, and recipients announced at SPHS. The scholarship funds are issued upon receipt of proof of registration for classes. Photographs of the students receiving these scholarships are printed in the Fall Tiger Tales, along with thank-you notes received before the August 31st publication deadline, as well as in the Spring Edition of Tiger News the following year.

One of the most exciting developments to our scholarship program is the opportunity for alumni and their family and friends to create new SPHS scholarships. With our support, you can establish and fund a tax-deductible scholarship administered by the Alumni Association. Over the last few years, we have had many generous alumni and community members establish and contribute to new scholarships in support of graduating SPHS Tigers. **Your donations help to keep these scholarships going!**

DON'T FORGET YOUR DONATIONS ARE TAX DEDUCTIBLE! Our EIN is 95-3706458 if needed for your tax records.

You can donate by mail or ONLINE: go to www.sphsaa.org and click on the "DONATIONS" link in the righthand column. From there, you can choose where you would like your donation to go, and use PayPal or a credit/debit card to make your tax-deductible donation!

SPHSAA Facebook Policy Reminder

Greeting, Tigers! We have really enjoyed having an SPHSAA Facebook page to share news of events, reunions, and bring alumni together. For the most part, participants have been respectful and positive in their comments and posts. Unfortunately, we have had a couple of incidents where this was not the case, so in the interest of making our Facebook page welcoming to **all** Tigers, we have designed the policy as described below. Thank you in advance for adhering to this policy and for your contributions to the SPHSAA as a whole!

* * * * *

The purpose of this page is to create a welcoming environment that keeps Tigers connected through memories of their time in the South Pasadena school system and through current South Pasadena events.

This group is for South Pasadena High School Alumni as well as those who attended South Pasadena schools.

No politics. Period.

Please keep posts pertinent to the South Pasadena school system and memories of life growing up in South Pas and the surrounding areas.

No self-promotion, advertising, spam or irrelevant links.

Respect and kindness are expected with all posts. Healthy debates are welcome but must be conducted with civility.

Fundraising posts such as Go Fund Me must have prior moderator/administrator approval and will be approved on an individual basis. We want to support efforts to help SPHS alumni, teachers, and staff, but also maintain the ability to confirm the basis for the request beforehand.

Posts are subject to removal if they violate these rules and/or the spirit of the purpose of the page. Repeat offenders will be placed on moderator-approved posting or removed from the group.

SPHS CLASS OF '61 60TH REUNION

The Class of 1961 held their 60th reunion in October 2021, after Tiger Tales was sent to the printer. We're delighted to share highlights of their event and photos of '61 alumni!

*Thank you to **James Tomlin '61** for the following article.*

A group of '61 grads, which Rob Feder calls the "Old Boys," meet once a month on Zoom. We have taken on a couple of projects for classmates, and back in March 2021 we were wondering whether we would be able to have a 60th reunion because of the pandemic. I mentioned that my daughter had organized her 10th reunion by advertising a restaurant her classmates could show up to, and suggested we meet at Garfield Park and bring our own picnic.

I then went on a cross country trip to see our son in Virginia. When I returned, Rob had enlisted Dolores and Mary to help, had sent a cover letter out, booked Mijares Restaurant in Pasadena, and was searching intensively for 'lost' classmates. He established a budget and had negotiated and planned activities. Rob deserves most of the credit for making this happen, along with Felix (press and memorabilia), Dolores (finances), Al (classmate searches), and Mary (computer expertise).

My name and number were on the contact sheets, but my contribution was minimal. It is true that I shamelessly accepted credit with an, "Aw, shucks." I was selected MC from a list of no candidates, but I did receive a glowing review from my wife.

Reunions bring an abundance of memories touching the past, present, and future. This is an occasion where we reflect on our classmates with whom we shared so much of our beginnings at South Pasadena High School. I never imagined when the caps went up on June 15, 1961, that I would never see some of my '61 classmates again.

Some of us had been together since kindergarten.

Our lives have taken us to the far corners of this still beautiful country. In this, our eighth decade, we shared stories of the people we were and the people we became, of classmates past and present, and of those resting in peace. Our search (okay, I called a *few* people) provided us with information about classmates who couldn't be here. Our original class included 269 students, and over the years Mary has even located friends who moved away prior to graduation (Candy, Margie, Jane, and Calvin). Sadly, 75 have passed away, some quite young.

We shared some great memories of each other and a few about those not present to refute their veracity. There was general agreement that South Pasadena was a great town to grow up in, and the education we received from the South Pasadena Unified Schools was excellent. It was a simpler time, although we lived beneath the shadow of the threat of an atomic war. If we took some things for granted (and as some have observed, lived in a bubble), well - we were kids - and our parents, who lived through two World Wars and the Great Depression, wanted us to have things they never dreamed of.

I miss, well the **certainty**. And, of course, those friends who have gone.

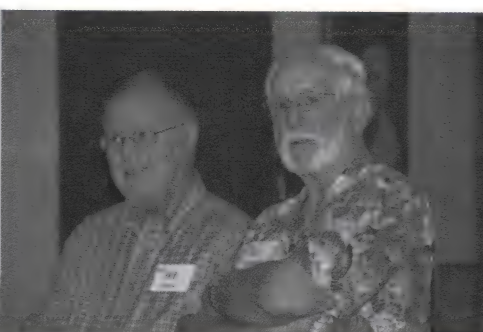

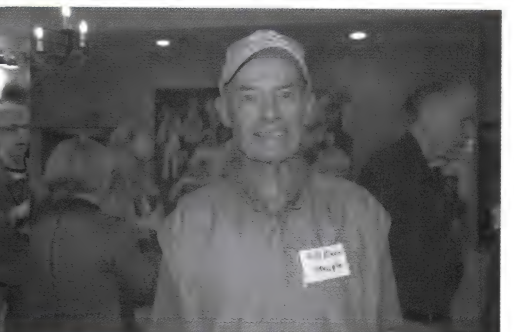

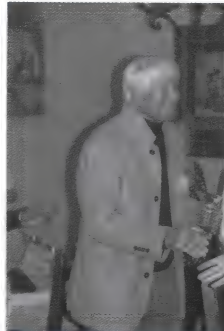

In my dreams, I'll always see you soar above the sky

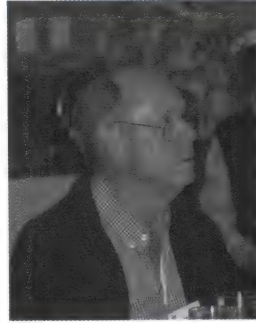

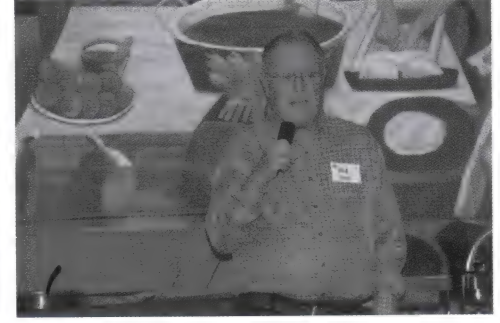

In my heart, there'll always be a place for you for all my life

I'll keep a part of you with me

And everywhere I am, there you'll be.

-Diane Warren, "There You'll Be"

Thank you to everyone who donated this year to specific SPHSAA scholarships and to our general fund. Your contributions enable us to offer scholarships to SPHS seniors and to support all Tiger alumni.

In Memory

Listed here are those Tigers who have been reported this past year as no longer with us since 2019 through the end of February 2022. We send our condolences to the families and loved ones of these classmates whom we shall not forget. Tributes for those Tigers marked with an asterisk may be seen at the In Memory section of our website: www.sphsaa.org.

"Farewell"

by Anne Bronte

*Farewell to thee! But not farewell
To all my fondest thoughts of thee:
Within my heart they still shall dwell;
And they shall cheer and comfort me.*

"New Friends and Old Friends"

*Make new friends, but keep the old;
Those are silver, these are gold.
New-made friendships, like new wine,
Age will mellow and refine.
Friendships that have stood the test -
Time and change - are surely best;
Brow may wrinkle, hair grow gray,
Friendship never knows decay.
For 'mid old friends, tried and true,
Once more we our youth renew.
But old friends - alas! May die,
New friends must their place supply.
Cherish friendship in your breast -
New is good, but old is best;
Make new friends, but keep the old;
Those are silver, these are gold.
- Joseph Parry*

SPHS FACULTY: PAST AND PRESENT

SPHS faculty, we often reminisce about our days in junior high and high school, and memories of time spent in your classes always come up in discussion. So many of you helped to shape who we are today, as is evident by the number of scholarships established in your honor.

We would like to encourage you to join us at the GRAND REUNION the weekend of June 10-12, 2022. We would love to see you!
